(1) Submit a certified copy of the commencement resolution to the Farm Credit Administration; and

(2) Mail a brief announcement to all holders of equity in the association which states that the board is taking steps to terminate its Farm Credit status and which describes the process of termination, the anticipated effect of termination on current holders of equity, and the type of institution the successor institution will be. If bylaws are adopted in accordance with paragraph (e) of this section, the announcement shall also state that, during the time period from the passage of the commencement resolution until the effective date of termination, new common stock and participation certificates either purchased from the association in connection with a loan or sold to the association prior to the termination will not entitle the holder to receive a share in the adjusted book
